TO : Chief, SE
Attn: ☐

DATE: _____

FROM : ☐

SUBJECT: GENERAL— OBOPUS

SPECIFIC— AICOCK Monthly Activities Report, 16 March to 15 April 1954

REF: SGAA-9085, 20 March 1954

Headquarters' Action Required:

None. For Information and Files.

☐ met AICOCK on two occasions until ☐ arrival on 29 April, and the latter has met AICOCK on three occasions since then. The items of interest reported by subject are as follows:

1. The completion of the ☐ brief interrogation on Mitrovica.
2. The willingness to try to get perhaps one or two more interrogations by looking around more carefully in Lavrion and Syros for other suitable refugees.
3. The improved behavior of AILAKE and the good behavior of AIQUAD.
4. A fracas at Lavrion caused by Identity (1)'s, HIMEION, calling Identity (2), XNMALEDICT, a Communist. Fortunately, the fracas was nipped in the bud. Both these men are in the bad graces of their respective parties.
5. The reaction to the news of the Apple Team was mixed. Some of the refugees accepted it as an inevitability of war and praised the men as martyrs, others (mostly XNMALEDICTS) were somewhat irritated that RNCASTING had sponsored the team, and a few tended to deprecate RNPUTLOG because of the character of his testimony.
6. The routine arrivals, withdrawals and immigrations to other countries were reported upon, and this information was passed on to ☐
